

Why gliding?

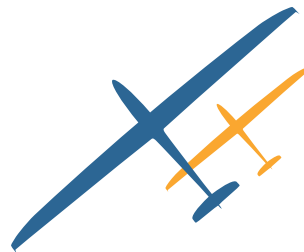

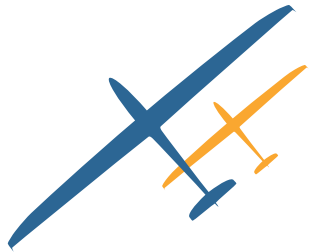

For many pilots gliding becomes a lifelong passion, always offering new challenges and adventures.

With gliding it's possible to fly hundreds of kilometers, compete in competitions, or even learn aerobatics.

We've got an amazing not-for-profit club full of great people, with a fantastic fleet of aircraft. And it's very affordable.

If you've ever dreamed of flying, gliding may be for you!

Book your flight online at
www.glidingmatamata.co.nz

Welcome to the
world of **soaring**

www.glidingmatamata.co.nz

How to book your flight
